

We love what we do. We give 100% every day – even more than that, in a sense. We're always perfectly prepared. We're different. Faster than most. Always one turn of the screw more precise. We are, after all: Porsche. We are committed to the crest. An attitude that runs through everything we do.

We are hiring you as:

Parts Manager

Location: Porsche Centre Saigon

Your responsibilities:

- Oversee, organize and control all processes in the parts department
- Manage parts order, shipping, import and export processes
- Warehouse management incl. stock control & reporting
- Maintain customer satisfaction by ensuring parts availability
- Management of parts team

Your qualifications:

- Min. 5 years working experience in automobile parts business, preferably as Parts Manager
- Strong knowledge about automotive technologies and components
- Structured and well organized working style
- Advanced Microsoft office skills (Excel)
- Intermediate English language skills

We are offering you:

- Comprehensive training and attractive career development opportunities
- Work with a highly professional team of Porsche enthusiasts
- Work environment and processes based on highest German standards
- Attractive salary, performance based incentive schemes and extensive employee benefits

Are you ready to join our team?
