

We love what we do. We give 100% every day – even more than that, in a sense. We're always perfectly prepared. We're different. Faster than most. Always one turn of the screw more precise. We are, after all: Porsche. We are committed to the crest. An attitude that runs through everything we do.

We are hiring you as:

Technical Specialist

Location: Porsche Centre Saigon

Your responsibilities:

- Handling of technical vehicle cases, including diagnostic support for all Porsche Centers
- Product quality monitoring and reporting
- Support function for PIWIS Tester diagnostic devices
- Contribute to ensure a high level of customer satisfaction

Your qualifications:

- Technical degree holder
- Extensive knowledge about vehicle systems and technologies
- Advanced vehicle diagnostic skills
- Good English language skills (written & spoken)
- Good communication skills
- Customer focused work approach

We are offering you:

- Comprehensive training and attractive career development opportunities
- Work with a highly professional team of Porsche enthusiasts
- Work environment and processes based on highest international standards
- Attractive salary and extensive employee benefits

Are you ready to join our team?
