We love what we do. We give 100% every day – even more than that, in a sense. We're always perfectly prepared. We're different. Faster than most. Always one turn of the screw more precise. We are, after all: Porsche. We are committed to the crest. An attitude that runs through everything we do.

We are hiring you as:

Technician

Location: Porsche Centre Hanoi

Objective:

- To establish and maintain high levels of Porsche customer's satisfaction by maintaining and repairing cars based on the highest standards of Porsche

Your responsibilities:

- Repairing and maintaining Porsche cars in accordance with manufacturer's procedures and diagnosis guidelines
- Following Porsche administration process (e.g. detailed documentation of repair work in Porsche online systems)
- Ensuring a high level of efficiency and productivity
- Ensuring to meet all targets and KPI's
- Participating in overseas and in-house training courses and complete online training modules
- Maintenance and care of tools and workshop equipment
- Technical support for Porsche Club events
- Ensuring tidiness and cleanliness of working area
- Ensuring adherence of dealership processes and policies
- Supporting other operational areas and departments if required.
- Other ad hoc assignments and projects

Your qualifications:

- Technical degree holder
- Extensive knowledge of vehicle systems and technologies
- Minimum 01 year of work experience as Technician
- Computer skills (Microsoft Office XP products)
- Good English knowledge (written and spoken)
- Good communication skills
- Quality and customer focused approach
- Dynamic, positive, confident, self-motivated and good team player

PORSCHE

We are offering you:

- Comprehensive training and attractive career development opportunities
- Work with a highly professional team of Porsche enthusiast
- Work environment and processes based on highest German standards
- Attractive salary, performance based incentive schemes and extensive employee benefits
